

# NAMITA DHAWAN

UI/UX Designer | Product Manager

I'm a young architect turned UI/UX designer and product manager, I bring a unique blend of technical detailing and user-focused creativity. My unique career path has equipped me with strong problem-solving skills and an eye for detail, enhancing my ability to design and deliver intuitive and visually appealing digital experiences. Passionate about technology and design, I am eager to contribute to innovative projects.

## WORK EXPERIENCE

Jan-Nov  
2022 **Jr. Architect**  
Swastikarch, Nashik, Maharashtra  
Working as a junior architect exposed me to a multitude of practicalities that one has to deal with as a designer.

Jan-Dec  
2023 **Project Architect**  
Swastikarch, Nashik, Maharashtra  
This role made me sharpen my leadership skills and take on full responsibility for work.

Sep 2024  
-Nov 2024 **Product Design Intern**  
Vidyayan Technologies LLP  
Designed UX/UI solutions that balanced user needs with client objectives to achieve effective, user-focused outcomes.

Dec 2024  
-Oct 2025 **Product Designer & Product Manager**  
Vidyayan Technologies  
Oversaw full-cycle product design and management projects, taking on multi-role responsibilities that strengthened my ability to deliver high-quality solutions aligned with product, user, and client needs.
